CVGenius

Dear Reader,

Our goal at CV Genius is to provide you with the resources you need to get the job you want, and having a professional-looking CV is an essential part of that mission.

That's why each one of our CV templates is carefully created to make your application look polished and easy to read. Additionally, our templates are designed to help your CV get past the Applicant Tracking System software that many large employers use to scan through applicants.

However, writing an impressive CV isn't only about the template you use. Make sure your CV also highlights your qualifications, skills, and experience by using our free resources and reading our articles written by certified career coaches:

- [How to write a CV](#)
- [CV layout](#)
- [CV examples by industry](#)
- [CV maker](#)

After you've finished writing your CV, download a matching [cover letter template](#) and write a cover letter tailored to the position you're applying for to give your job application an extra boost.

Here are some of our most helpful [cover letter resources](#) to help you accomplish that:

Best regards,

A handwritten signature in black ink that reads "The CV Genius Team". The signature is written in a cursive, flowing style. The word "The" is small and at the beginning, followed by "CV" in larger letters, then "Genius" and "Team" in a continuous script. A horizontal line is drawn underneath the signature.
